

YOUR BLAST MEDIA WAREHOUSE

WALNUT SHELL

About:

Walnut Shell is a great blasting media for auto mechanics, hobbyists and metal specialists. Walnut shell soft blasting media can strip paint and remove rust, as well as clean sheet metal, engines and transmissions. It is fast and easy! This blast media is ideal for aluminum metal & brass metal. As it is non-toxic, it causes no health or environmental hazards.

Typical Applications:

Walnut Shell is suitable for:

- Removal of paint, flash, burrs, and other flaws in plastic and rubber molding, aluminum and zinc die castings in electronics industries
- Sand replacement for paint removal, graffiti removal, and general cleaning
- Restoration of buildings, bridges, and outdoor statuary
- Aircraft engine cleanout
- Cleaning steam turbines
